To: Chief Planning Officer

Our Ref: TH/DC/PD/2011/0479

Your Ref: P/2011/0479

Date: 27 July 2011

TOWN AND COUNTRY PLANNING ACT 1990.
TOWN AND COUNTRY (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995.

Location: O. S Grid Ref: 2910 4630 Land west of the Bungalow, Princes Road, Rhos

Development: Erection of 1 no. dormer bungalow

I refer to your consultation dated 13 July 2011 concerning the above.

The site is located on an unclassified road within a 30 mph speed limit although vehicular speed is considered to be no more than 15 mph due to the geometry of the road.

The site has been informally used as a small car parking area for a number of years by people leaving their vehicles to shop in the village centre. Princes Road itself is also subject to on street parking by shoppers. Visibility at the access is considered acceptable given that the car park has been used continuously for a number of years.

It is considered that the traffic generated by the proposal will be substantially less than that of its previous use as an informal car parking area for the bank and that this proposal is not detrimental to highway safety.

Parking provision is concurrent with the recommendations of LPGN 16.

I recommend any permission include the following conditions:
