Dear Sir,

Nos 1-4 Grenville Terrace, Ruabon

I understand that these buildings are at present subject to an appeal against refusal by Wrexham County Borough Council for planning permission to demolish.

These nineteenth century sandstone dwellings, together with their boundary walls, contribute significantly to the special character of the conservation area. Their loss would bring considerable detriment to the approach to Ruabon village and would negate the purpose of their recent inclusion in the Conservation Area.

Wrexham Area Civic Society would like therefore to register its objection to the demolition of these dwellings.

Yours faithfully,

Nicholas Roe

Chairman, Wrexham Area Civic Society
