Gerry

Current status of planning conditions is as follows:

- 13. Site access. OK to discharge.
- 14. A483/A525 contribution. TTHC are chasing payment.
- 15. Ruthin Rd/Bradley Rd. OK to discharge.
- 16. Ruabon Rd/Fairy Rd. Not there yet with design.
- 18. Bus stops. OK to discharge.
- 19. Construction TMP. The information you provided is insufficient from my perspective, although I am expecting to be invited to a meeting with the main contractor and traffic management contractor to discuss this. I would however suggest that the information provided does provide details of routing and contractor parking as required by the condition.
- 42. Pedestrian/cycleway. OK to discharge, however this may be subject to amendment depending upon the outcome of ongoing discussions about trees.
