Interested Party/Person Correspondence

YOUR COMMENTS ON THE CASE

Please provide your representation below.

We would like to ensure comment is made to the freshwater and waste water drainage from the proposed property.
All waste product from Hawthorne Cottage and the proposed new dwelling use drainage laid across land. We would like to ensure that the drainage is considered and communicated to reduce impact in terms of service/work and remove any associated current or future costs to ourselves.
We must also comment that our fresh water service is delivered across Hawthorne Cottage land, as per agreement with the landowner, we would like to ensure this service is not affected.
This comment has been added following the advice of our local planning office.
