Dear Sirs,

PLANNING REF P20090449

I am an objector to this proposed drilling.
I live close to the site and the nearest point
of my land to the site is 200 metres.
I enclose on a separate sheet my objections
Yours faithfully [REDACTED]

J.M. ORMEROD objects to
drilling - your PLANNING Ref
P20090449.

- 1/ The roads to the Site are very
narrow and of a poor standard
- 2/ The Site would be only 200
metres from my wildlife Site
at SUTTON GREEN FOX COURT
- 3/ There are good sites for
drilling on Wrexham Ind. ~~Site~~
Estate.
- 4/ Mineral drilling was done
in 2009 at a site only 1.8
miles from this proposed site.
This was at Castleton Grid Ref
432511
ad. Survey SJ 45/55.

5/ The site would be adjacent
to Land designation as
an S.S. #
