

Technical drawing of a door return assembly. The drawing shows a cross-section of a door frame and the door return mechanism. Key dimensions and features include:

- 30mm**: Dimension for the width of the door return assembly.
- 40mm insulation into door return**: Label indicating the insulation thickness and its placement.
- 40mm**: Dimension for the height of the door return assembly.
- 10mm**: Dimension for the gap between the door return and the door frame.
- 80mm**: Dimension for the width of the door return assembly.
