YOUR COMMENTS ON THE CASE

Please provide your representation below.

The premises of 53 Smithy lane being used as a Physiotherapy Clinic have caused us several problems.

The people visiting this clinic regularly park outside our house and on the opposite side of the road at the same time. This has caused us great difficulty and problems with trying to enter and exit our property by reducing our visibility immensley.

There have been times when upon approaching our property along Smithy lane, we have indicated to turn into our property, but due to having to overtake parked cars for the clinic first, people have thought we were indicating to pass these so when we stop to turn, have had cars behind slam their brakes on and sound their horns as well as give us verbal abuse.

We carry young children in our cars and this puts them in danger also. Smithy lane is a notorious road for being busy and having people drive rather fast along, and to have these extra dangers caused by the Clinic is putting lives at risk. It is a recipe for disaster. For these reasons we strongly oppose the Clinic.

Yours faithfully,
