TOWN AND COUNTRY PLANNING ACT 1990.

TOWN AND COUNTRY (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995.

Location: O. S Grid Ref: 3010 4410 Gardden Lodge Landfill Site, Tatham Road, Ruabon

Development: Downscale operations at existing landfill gas utilisation compound comprising the removal of one landfill gas engine, gas plant and flare and the installation of a containerised gas plant and flare of lesser capacity.

I refer to your consultation dated 13 May 2010 concerning the above.

Given that the nominal amount of traffic generated by the proposals will occur over a relatively short distance of carriageway that is already predominantly industrial in character, the proposal is not considered significant in highway terms.

I therefore advise you that I do not make any recommendations on highway grounds.
