Dear Mr Phillips

With regards to the Certificate of Lawful Use application at The Trotting Mare Caravan Park, I attach hereto this email, supporting statements from:

- 1) Mr D Demster - Electrician who installed the electrical hook up point to the entire caravan park including the land subject to this application
- 2) Mr M Lewis - Chairman of Overton Community Council
- 3) Mr Arthur Powell - Holidaymaker

Whilst these statements do not say the exact numbers of touring caravans which have stayed on the application, they do support the fact that the subject land has been part of The Trotting Mare Caravan Park for a period in excess of 10 years.

I would be most grateful for you confirmation of this email together with an update as to how the application is progressing.

Yours Sincerely

PHILIP B. JONES
