Subject: Planning conditions for Maes y Groes, P/2009/0314
Attachments: Stable drainage drawings.pdf; Stable drainage plans.pdf; Tree Hedge Planting notes.pdf

Dear Charlotte

With reference to planning permission granted on 17/07/09 p/2009/0314

Please find enclosed the details for the drainage of the above planning condition/2009/0314 condition 7

I have also included for good measure a copy of the original Arboricultural Method statement already submitted with the application. Condition 4

I have asked Tom Knight of Marches Ecological services to forward you a copy of the RAMs statement to discharge condition 5, you should have received it earlier today.

If you need any other information please give me a call on 07802 845510
