APPEAL TO CARRY OUT THE EXPLORATION

YOUR COMMENTS ON THE CASE (continued)

I am tottally against this application to carry out the Drilling for mineral exploration.

There is currently a steady flow of traffic around the area while I take our pet for a walk and with this planned work this will increase.

I do not wish to have large volumes of heavy vehicles coming and going at all hours of the day and night.

I work on the Wrexham Industrial estate and have done for many years but I do not want to live in the middle of a construction site.

Yours sincerely
