

Dear Sirs,

I wish to confirm my objection to the above planning application.

I do not believe that the building has been adequately marketed as a public house - indeed on the two occasions that I tried to telephone the number shown on the board outside the building, there was no reply.

I also believe that the building has been allowed to fall into such a dreadful state of disrepair that finding a suitable tenant or purchaser has been made extremely unlikely.

The village desperately needs this historic public house to be re-opened.

Yours faithfully,

Dr.Steven Freudmann
