Hi Dafydd,

Thank you for the message,

All is well with me thank you, I hope you are good?

The nearest public sewer is approximately a thousand metres away.

Should you need anything further please let me know.

Thank you,

Rhodri

Morning Rhodri,

Hope you are well.

You've recently been consulted with regards to the above mentioned application, are you able to confirm the distance of the site from a main drain.

Based on information received recently should the mains drains be in excess of 60m from the site which we assume it is a treatment plant would be acceptable.

I look forward to hearing from you.

Kind regards
