Thank you for the opportunity to comment on this planning application. Please find our response noted below:

With Reference to the above planning application the company's observations regarding sewerage are as follows.

As the proposal has minimal impact on the public sewerage system I can advise we have no objections to the proposals and do not require a drainage condition to be applied.

Please note if you wish to respond to this email please send it to applanning@hdcymru.co.uk where we will look to respond within 10 working days.
