Hi Sharon,

Stacey had suggested this was confirmed by Building control.

Dave Miller has confirmed this will be done see attached email, on this basis I wasn't sure the condition needed to remain as it is controlled by the development control department.

Kind regards

Dear Dafydd,

I refer to the above discharge of conditions application and wish to inform you the following information is required in order to validate the application:

In order to discharge Condition 5, confirmation of the installation of the gas membrane is required. If it has not been installed yet then only Condition 4 can be applied for.

Please can you confirm

Thanks

Sharon
