

P/2021/0744 AN RICHARDS HAULAGE YARD B5605 NEWBRIDGE ROAD PENTRE CHIRK

Dear Simon

Thank you for the consultation on this application.

I can confirm that there are no archaeological implications for the proposed development within the red boundary application area.

As the new building will be located within 200m of the scheduled Offas Dyke (DE138) to the west and the scheduled Pontcysyllte Aqueduct and Canal (DE175) to the north and east, Cadw should be consulted for their comments via cadwplanning@gov.wales

The Grade II listed Smithy and Whitehurst Gate House lie to the south and the Built Heritage Conservation Officer may wish to comment on setting issues although views would be partly blocked by intervening modern industrial buildings on this site.

Kind regards

Mark Walters
