Stacey,

Thanks for your email. We haven't consulted you on this application, but have consulted NRW in respect of the conditions requested by them on the 2020 application.

Kind regards
Sharon

Sharon,

Re: P/2021/0375 – Discharge of condition 5 (contamination) of planning permission P/2020/0625

I have noted that the above discharge application has been submitted, however looking back at our records the Contaminated Land Team did not recommend the conditions and it was in fact NRW. As the conditions were recommended by NRW they will need to review the report and determine if the condition can be discharged.

Kind regards
Stacey
