Figure 4: NMR entries

The dataset comprising 149 records covering the area of Trevor Basin is Crown copyright (and/or Crown database right) and is reproduced with the permission of Royal Commission on the Ancient and Historical Monuments of Wales (RCAHMW), under delegated authority from The Keeper of Public Records.

It should be noted that as a matter of expediency, only those heritage assets considered relevant to this assessment are depicted on this figure and itemised in the gazetteer. The full dataset provided by the RCAHMW contains a further 95 heritage assets, the majority of which being buildings within Cefn-mawr, some distance to the east of the Assessment Area and part of a wider 1km search area.
