Subject: [DKIM:INVALID] P/2021/0469 Alteration of access at Penycoed Farm, Minera Road, Ffrith - CONSULT CADW - SCHEDULED MONUMENT IMPACT

Dear Sir or Madam

Thank you for the consultation on this application.

The proposal plan indicates that the altered access width is located within the scheduled monument area related to SM DE112 Offas Dyke. As a result, no ground works can take place here without prior scheduled monument consent. Cadw must be consulted as soon as possible on this application for their comments on the potential impact. Cadw can be consulted via cadwplanning@gov.wales

Kind regards

Mark Walters
