

Coxwood farm: Consultation Letter P 2021 0309 Email 8/7/2021

Photos below.

New cottage with parking space and turning area.

Current parking for current holiday cottages. Usually the cars park the other way and this allows for 2 extra vehicles.

Rear yard adjacent to the caravan park where people using the caravan park can use.

Hope this helps. Happy to clarify further. I'll reply separately to NRW requests.

Thanks,

Jimmi
