Dear Ian,

Thanks for all the additional information, one of the original requests at validation stage was (although not a validation requirement) that the following information would be required to support your application : Indicative Surface Water Management Plan and Structural Report.

I will validate the application today but just wanted to make you aware these would be required.

Thanks

Sharon

Hello Sharon,

As discussed over the telephone this afternoon, I enclose a copy of the amended drawings as requested within your received email

Please let me know if you require any further information at this stage, in order for the plans and the planning application to be validated.

Kind Regards

Ian
