Dear Mared

Thank you for the discharge of conditions application referring specifically to Condition 11 for archaeology.

I can confirm that we have received and approved the WSI (written scheme of investigation) document from Aeon Archaeology and the first part of the condition regarding the acquisition of an archaeological contractor and the submission of a WSI is therefore approved.

The condition will be fully discharged when the archaeologist has completed works on-site and written a report. The report will need to be approved and the archive deposited with the HER and National Monuments Record before we can fully discharge the second half of the condition.

Kind regards

Mark Walters
