PROPOSED GROUND FLOOR PLAN 1:1000

0 25 50 75 100m

Scale 1:1000

PROPOSED WORKS	
NUMBER	DESCRIPTION
1	New 1no 1.4m Interaction table (T52) with 2no interaction chair armless (S51) & 2no interaction chair with arms (S56).
2	New 46" digital screen in frame color RAL 9006 and add new marketing poster to the rear.
3	New plumbed in water cooler.
4	New H&A desk RH and 1no TCR, new cashier printer unit.
5	New blue timber dowel counter back wall with TSB logo at the side wall of H&A desk.
6	New 40" TV screen in housing and add new printer cabinet to house the TV player.
7	New MFD Surround to 2no MFDS and new grey timber dowel Transact wall
8	New Money Hub Wall (1) and construct new partition to include Doing What Matters Wall (1)
9	Remove queue rails and add new 1no "Please wait here" sign.
10	New blue strip with white acrylic lettering at Meeting Rooms.
11	Remove all existing leaflet holders, posters and community wall.
12	Remove existing cashiers and queue system and install new partition to be constructed in Secure Room. To include new 2no MFDS and new Scotia system to be added to door and others throughout as per Security Standards. Small roof section required to be secure partition type as change in ceiling level here as illustrated with the dashed line. Relocate desk and chair as shown.
13	Retain 1no desk and side table, 2no seat unit, and 1no partner chair. Install Chip n Pin. Existing vinyl graphics to be overlaid with lifestyle imagery. Include a new white pendant (FL1) over table. Redecorate and replace flooring.
14	Remove existing Meeting Room 1 and new furniture in Open Meeting Room, to include 1no table (T61), 2no customer chairs (S54), 1no bench (S57) and new partner chair (CH8). Install printer unit as well as Chip n Pin. New vinyl graphics with lifestyle imagery frame. Include a new white pendant light (FL1) over table. Adjacent to the Open Meeting Room install 2no extended privacy screen.
15	Dedicated battery charging area required to this location.
16	New 1no A3 FSCS and 2no A2 CMA.
17	Redecorate column in white finish as per existing.
18	New flooring and redecoration to Main Banking hall and Open Meeting rooms.
19	Re-use the existing door and re-hang as shown
20	New room name on slat wall with white acrylic lettering at Open Meeting Rooms.
21	New furniture in Open Meeting Room, to include 1no table (T61), 1no bench (S55), 1 no customers chair (S54), and new partner chair (CH8). Install printer unit as well as Chip n Pin. New vinyl graphics with lifestyle imagery frame. Include a new white pendant light (FL1) over table. Adjacent to the Open Meeting Room install 1no extended privacy screen.
22	New Pass door to have a secure porthole and new Scotia system to be added to door and others throughout as per Security Standards.
23	New decoration and flooring to Secure Lobby and Stairs.
23	Meeting Rooms doors - MC to explore option of adding key lockable door (latch and thumb turn on inside). If not possible, ensure existing printer units are lockable, if not, printer units to be replaced with new lockable units.

NOTES:

Construction:

- Asbestos - Contractor to ensure that a full asbestos survey has been undertaken for the full extent of the works
- Fire - Contractor to consider fire risks to BOH areas and floors above when undertaking the works

Occupation: Relocation

- Loading - Heavy equipment such as ATMs, IDMs safes etc. must be checked by a structural engineer when being location on a suspended floor.
