Hi Mared

Thanks for the additional info.

If they intend to fully retain the timber framing as stated there would be no issues from our point of view.

All the best

Mark

Hi Mark

The applicant has responded with the below statement in response to your consultation response above :-

There is no alterations to any of the oak frame within its central to the building mainly in the lounge nothing at all on that side. Everything will be retained.

Is this sufficient, or you need the photographs as well?

Thanks

Mared
