Hi Andy,

I hope you are keeping well.

Thank you for your e-mail. I dealt with the above pre-planning advice enquiry. I note it was proposed to communicate foul flows with the 150mm diameter foul sewer at the rear of Heol Offa, however, following discussions with our network colleagues they requested that the foul flows be communicated with the 225mm combined sewer in the highway (B5605) to the front of the site.

Should you have any queries regarding any aspect of the pre-planning response, please do not hesitate to contact me.

Kind regards,
Alaw

**Alaw Jones**

Hi Tegan

We have been sent the attached by the developer and have a few questions on the Welsh Water response. Can you please let me know who has produced this response so I can contact directly to discuss.

Thanks

Andy Jones
