		Decision Date	

1. The development hereby permitted shall be commenced before the expiry of five years from the date of this permission.
2. The development shall only be carried out in strict accordance with the details shown on the approved drawing(s) numbered Drawings No's 20014, 0801, 0802, 0803, 0804, 0805, 0001, 0002, 0100, 0200, 0201, 0300, 0700, 0702 and as contained within the application documentation.
3. No part of the development shall commence until samples of all external facing materials have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in strict accordance with such details as are approved.
4. No part of the development shall commence until a detailed Arboricultural Method Statement has been submitted to and approved in writing by the Local Planning Authority. No development or other operations shall take place except in strict accordance with the Method Statement as is approved. The Method Statement shall include the following:
 - a) A specification for tree protection fencing and ground protection measures that comply with British Standard 5837:2012;
 - b) A Tree Protection Plan showing the location of the trees to be removed and retained with their crown spreads, Root Protection Areas, Construction Exclusion Zones, and location of protective fencing and ground protection measures accurately plotted;
 - c) A full specification for any access, driveway, path, underground services or wall foundations within retained tree Root Protection Areas or Construction Exclusion Zone, including any related sections and method for avoiding damage to retained trees;
 - d) Details of general arboricultural matters including proposed practices with regards to cement mixing, material storage and fires;
 - e) Details of the frequency of supervisory visits and procedures for notifying the findings of such visits to the Local Planning Authority;
 - f) Method for protecting retained trees during demolition works;
 - g) Details of all proposed tree works, including felling and pruning.
5. No part of the development shall commence until full details for the arboricultural supervision of tree protection measures and any ground works within retained tree(s) Root Protection Areas, as specified by BS5837:2012 or as shown on a Tree Protection Plan have been submitted to and approved in writing by the Local Planning Authority. The supervisory works shall be carried out in strict accordance with the details as approved.

6. The existing beech hedge along Lisburne Grove boundaries shall be permanently retained and shall not be cut down, grubbed out or otherwise removed or topped or lopped so that the height falls below 2 metres at any point without the prior written permission of the Local Planning Authority. If any parts of the hedges are removed without permission, die or become diseased, they shall be replaced by hedges of such size and species and within a timescale all to be approved in writing by the Local Planning Authority.

7. No part of the development shall commence until a scheme for the planting of trees and shrubs on site has been submitted to and approved in writing by the Local Planning Authority.

8. The landscaping scheme including the paving and footpath areas submitted and approved in connection with condition no. 08 shall be fully implemented in all respects within three months of the first use of the building with the exception of soft landscaping which shall be carried out in the first planting season (November to March) or seeding season (April to September) following the first use.

9. The planting scheme implemented in connection with condition no. 09 shall be permanently retained. Any planting which becomes severely damaged or seriously diseased, or is in poor physiological condition and/or are removed without the written permission of the Local Planning Authority shall be replaced within the next available planting season by trees or shrubs of similar size and species to those originally required to be planted.

10. No land drainage run-off or surface water shall be permitted to discharge or connect to the public sewerage system, either directly or indirectly, and foul and surface water shall be drained separately from the site.

11. There shall be no use of the MUGA or the car park outside school times.

12. The proposed new vehicular access of Lisburne Grove and shall be constructed in accordance with the approved plans.

13. The proposed staff car park accessed from Lisburne Grove shall be open and fully operational prior to the first occupation of the proposed class room extensions.

14. No part of the development shall commence until a Travel Plan has been submitted to and approved in writing by the Local Planning Authority. The Travel Plan shall provide details to manage pick up / drop off outside the

11. To ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies GDP1 and PS2 of the Wrexham Unitary Development Plan.
12. In the interests of highway safety in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
13. To protect the amenities of the occupiers of nearby properties in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
14. In the interests of highway safety in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
15. In the interests of highway safety in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.

Note(s) to applicant

All works relating to this development which are audible beyond the site boundary should be carried out only between 7.30 and 18.00 hrs Monday to Friday, and 08.00 to 14.00 hrs on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the potential to cause unreasonable disturbance to neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60, Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

The applicant should adhere to the times given above wherever possible. For further information and advice regarding construction noise please contact the Council's Housing and Public Protection Department on 01978 315300.

The Applicant is advised that under the Environmental Protection Act 1990, dust from construction and/or demolition activities can be judged to be causing a statutory nuisance to neighbouring properties. A legal notice can be served requiring that any dust nuisance is abated and failure to comply with the requirements of the notice can result in prosecution. The applicant should contact the Council's Housing and Public Protection Department on 01978 315300 for further advice and information.

Burning of waste generated from construction activities is not considered to

Applicant	MR DARREN BRIMBLE READ CONSTRUCTION	Code Number	WRA P/2020/0497
Agent	TACP MR MATTHEW GREGORY PEMBROKE HOUSE ELLICE WAY WREXHAM TECHNOLOGY PARK WREXHAM LL13 7YT	Date Received	24/08/2020 04/01/2021
		Decision Date	

be an appropriate method of disposal and action may be taken as follows:

- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Environment and Planning Department on 01978 315300 for further advice and information.

The accuracy of the detailed plans and drawings forming part of the application documents hereby approved shall remain the responsibility of the applicant/developer.

The scheme of arboricultural supervision required in connection with condition no. 05 above shall make provision for a pre-commencement site meeting between the Local Planning Authority's Arboriculturist, the Developer/ Applicant/ Agent and their appointed Arboricultural Supervisor to agree matters of detail. It shall specify the frequency of arboricultural monitoring and reporting to the Local Planning Authority on the status of all tree protection measures throughout the course of the development and make provision for the submission and approval of a satisfactory arboricultural completion statement

The scheme of landscaping referred to in the above conditions shall include any changes to ground levels (shown by existing and proposed contours/levels) and any existing vegetation (showing that to be retained) and proposed planting. In addition, any of the following which apply to the particular site must be included:-

means of enclosure, car parking layout, access and circulation areas, materials for hard surfaced areas, any minor structures (e.g. refuse stores, lamp columns, play equipment) location of services, and any historic landscape features to be retained/improved.
