Re :- Planning Application P/2020/0516 Gas Governor Gresford

Dear Sir/Madam,

Further to my previous letter, I wish to clarify the siting of the newer Basketball Hoop.

It is situated on Allington Park which is approx. 150 mts from the proposed site of the new Gas Governor. The land is owned by the Trust and is currently leased to Gresford Community Council to help provide open space and recreational areas for the village. As such this area is open for casual use on an ad hoc basis.

The new facility provides a much safer environment. The old equipment has suffered from damage and is no longer usable for the purpose for which it was designed. Subsequently it has fallen into disuse.

I have also supplied a plan of the locations of the various sites for reference. I hope these will be of use.

Regards

Ian Gibson
