

P/2021/0124 0125

Good afternoon Mr Greenland,

I have taken 8 photographs for you which I will send individually. I have saved as full size in order for you to have as much detail as possible making them difficult to send all together.

From the photographs, taken from each side of the wall, you will see that by making the seating area, it will allow us to use both yard spaces without the hinderance of the wall.

If you require any further information, I am very happy for a site visit to be made or to send any other photographic information you may require.

Kind regards,

Gaynor Purcell
Headteacher
