Hi Sharon,

There are two orders affecting the boundary of this property. The order covering the trees to the north-west of the property, and the trees identified within the application, are subject to WMBC 85. The application is correct in this.

The larger order to the south is, as you point out, subject to DCC 20/1953. The application does not concern this order.

Hope this makes sense.

Festive regards

Jon Brewin

Hi Jon,

I have a TPO application here they are stating the relevant TPO is WMbc NO 85 tree 2, however the system is bringing up an old DCC TPO ref from 1953 could you let me know which is correct.

Thanks
