

In pursuance of its powers under the Acts and Orders referred to below, the County Borough Council as Local Planning Authority, hereby determines your application in accordance with the particulars and plans comprising the application

Applicant	MR FRED LANGFORD EDWARDS	Code Number	OVE P/2020/0508
Agent	MR FRED LANGFORD EDWARDS CLOY FARM CLOY LANE OVERTON WREXHAM LL13 0HR	Date Received	03/08/2020
		Decision Date	06/11/2020

Town and Country Planning Act, 1990

Location of application

CLOY FARM, CLOY LANE, OVERTON, WREXHAM, LL13 0HR

Description of application

ADEILADU ADEILAD AR GYFER STORIO ARTEFFACTAU A GWEITHIAU
CELF GYFOES / CONSTRUCTION OF BUILDING FOR STORING
ARTEFACTS AND CONTEMPORARY ART WORKS

In reaching this decision the Council has had regard to the relevant policies in the Wrexham Unitary Development Plan which are as follows:-

E5	Employment in the countryside
EC4	Hedgerows, Trees and Woodland
EC5	Special Landscape Areas
EC6	Biodiversity Conservation
GDP1	Development objectives
PS11	Biodiversity
PS2	Development and the environment
T8	Parking

Revision	Date	Description of Decision
0	06/11/2020	Planning permission issued

Particulars of decision that permission be GRANTED Subject to the following:-

Condition(s)

1. The development hereby permitted shall be commenced before the expiry of five years from the date of this permission.

Applicant	MR FRED LANGFORD EDWARDS	Code Number	OVE P/2020/0508
Agent	MR FRED LANGFORD EDWARDS CLOY FARM CLOY LANE OVERTON WREXHAM LL13 0HR	Date Received	03/08/2020
		Decision Date	06/11/2020

2. The development shall only be carried out in strict accordance with the details shown on the approved drawing(s) received 2/9/2020 and 20/10/2020 and as contained within the application documentation.

3. Notwithstanding the provisions of the Town and Country Planning (Use Classes) Order 1987 (or any statutory instrument revoking and re-enacting that Order with or without amendment), no part of the premises shall be used except for the precise purposes described in the application plans and documents.

4. The development shall be carried out in strict accordance with the findings and recommendations contained within the Ecology Assessment as carried out by AI Things Trees Ltd and approved as part of this application. The mitigation and compensation measures hereby approved shall be fully implemented prior to first use of the development.

5. Prior to first use of the development hereby approved the vehicular access shall provide visibility splays of 2.4 metres x 33 metres in both directions measured to the nearside edge of the adjoining highway. Within these splays there shall be no obstruction above the level of the adjoining carriageway. The splays shall thereafter be permanently retained clear of any such obstruction to visibility.

6. Prior to first use of the vehicular access hereby approved, the access shall be surfaced with hard bound materials (e.g. bituminous macadam) for a minimum distance of 5 metres behind the adjoining highway.

7. The existing trees, shrubs and hedges shown on drawing(s) No(s) 20.01 to be retained shall not be cut down, grubbed out, lopped or uprooted within five years of the date of first occupation of the development. Any trees, shrubs or hedges removed or being severely damaged or becoming diseased within this time shall be replaced with trees, shrubs or hedging plants of the equivalent size and species.

8. Prior to their use on the development samples of all external facing materials shall be submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in strict accordance with such details as are approved.

Applicant	MR FRED LANGFORD EDWARDS	Code Number	OVE P/2020/0508
Agent	MR FRED LANGFORD EDWARDS CLOY FARM CLOY LANE OVERTON WREXHAM LL13 0HR	Date Received	03/08/2020
		Decision Date	06/11/2020

Reason(s)

1. To comply with Section 91(3) of the Town and Country Planning Act, 1990.
2. To comply with section 71ZA (2) of the Town and Country Planning Act 1990.
3. This is a non-standard reason
4. To protect named species / habitats / biodiversity which would otherwise be damaged / lost by the development hereby permitted in accordance with Policies GDP1 and EC6 of the Wrexham Unitary Development Plan.
5. To ensure that adequate visibility is provided at the proposed point of access to the highway in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
6. To ensure that no deleterious material is carried onto the highway, in the interests of highway safety in accordance with Policy GDP1 of the Wrexham Unitary Development Plan.
7. To ensure the amenity afforded by the trees is continued into the future in accordance with Policies GDP1, PS2 and EC4 of the Wrexham Unitary Development Plan.
8. To ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies GDP1 and PS2 of the Wrexham Unitary Development Plan.

Note(s) to applicant

Following the recently submitted application for planning permission (reference above) I would like to bring your attention to the recently introduced change in legislation that may have implications for your proposed development.

From the 7th of January 2019 any new development of more than one dwelling or that involves construction work of more than 100m² is required to obtain approval from the SuDS Approving Body (SAB) prior to the commencement of those construction works. Furthermore the surface water drainage systems serving proposals of greater than one property will be subject to adoption by the SAB and must be constructed in such a manner as to be compliant with new national statutory standards. Given the potential implications for your development, in particular it's layout, it is essential that

Applicant	MR FRED LANGFORD EDWARDS	Code Number	OVE P/2020/0508
Agent	MR FRED LANGFORD EDWARDS CLOY FARM CLOY LANE OVERTON WREXHAM LL13 0HR	Date Received	03/08/2020
		Decision Date	06/11/2020

you satisfy yourself as to whether SAB approval is required, and if so, that you can demonstrate that the surface water drainage arrangements will be compliant with the national standards. While it is possible to seek planning permission in isolation of seeking SAB approval we emphasis the risk in pursuing such an approach. The earlier it can be determined that your proposals are compliant with the new standards the less chance of delay, wasted effort and costs for all parties involved.

These comments are made in advance of any formal response from either the SAB or the Lead Local Flood Authority through the normal planning application consultation process to allow your early consideration of the implications of the new legislative requirements for your proposed development.

Further details of the SAB, the new national standards, the pre-application advice service and the application for approval process can be found on the Wrexham CBC's SAB webpage:

https://www.wrexham.gov.uk/english/planning_portal/sab/sab.htm or by contacting the SAB Team directly at SAB@wrexham.gov.uk .

Natural Resources Wales Advice for the Developer
- Environmental Management

All works at the site must be carried out in accordance with PPG6: 'Working at construction and demolition sites' which are available on the following website:

<http://www.netregs.org.uk/environmental-topics/pollution-prevention-guidelines-ppgs-and-replacement-series/guidance-for-pollution-prevention-gpps-full-list/>

The activity of importing waste into the site for use as, for example hardcore, must be registered with Natural Resources Wales as an exempt/permittable activity under the Environmental Permitting Regulations 2016. The developer should contact Natural Resources Wales to discuss the necessity for an exemption/permit for any material imported to and exported from the site.

If during construction/excavation works any contaminated material is revealed, then the movement of such material either on or off site should be done in consultation with Natural Resources Wales. Any waste excavation material or building waste generated in the course of the development must be disposed of satisfactorily and in accordance with Section 34 of the Environmental Protection Act 1990. Carriers transporting waste from the site

Applicant	MR FRED LANGFORD EDWARDS	Code Number	OVE P/2020/0508
Agent	MR FRED LANGFORD EDWARDS CLOY FARM CLOY LANE OVERTON WREXHAM LL13 0HR	Date Received	03/08/2020
		Decision Date	06/11/2020

must be registered waste carriers and movement of any Hazardous Waste from the site must be accompanied by Hazardous waste consignment notes.

- Foul Drainage We recommend the applicant reviews the following guidance in relation to the proposed development:

- Guidance for Pollution Prevention 4 (NetRegs website): Sewage treatment and disposal where there is no foul sewer (GPP4)
- EPR (Environmental Permitting Regulations) Guidance
- NRW guidance (May 2019): How to run your household sewage treatment system well (this document contains some really useful explanatory text regarding different treatment options and EPR)

Your attention is drawn to Highway Supplementary Notes Numbered 1, 3, 4 and 5 - Refer to Statement of Applicant's Rights and General Information on our planning web site at:-
http://www.wrexham.gov.uk/english/planning_portal/publications/info_sheets.htm

All works relating to this development which are audible beyond the site boundary should be carried out only between 7.30 and 18.00 hrs Monday to Friday, and 08.00 to 14.00 hrs on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the potential to cause unreasonable disturbance to neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60, Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

The applicant should adhere to the times given above wherever possible. For further information and advice regarding construction noise please contact the Council's Housing and Public Protection Department on 01978 315300.

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:

- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;

Applicant	MR FRED LANGFORD EDWARDS	Code Number	OVE P/2020/0508
Agent	MR FRED LANGFORD EDWARDS CLOY FARM CLOY LANE OVERTON WREXHAM LL13 0HR	Date Received	03/08/2020
		Decision Date	06/11/2020

- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Environment and Planning Department on 01978 315300 for further advice and information.
