TOWN AND COUNTRY PLANNING ACT 1990

TOWN AND COUNTRY (GENERAL DEVELOPMENT PROCEDURE) ORDER 1995

Location: O. S Grid Ref: 334 502 3 – 9 Hope Street, Wrexham.

Development: Change of use from A1 to A2.

I refer to your consultation / email dated 19/02/2021 in respect of the above.

The proposed development site is located on the Hope Street in Wrexham Town Centre. This area forms part of the pedestrianised zone within the town centre.

Although there is no parking provision proposed for the development site, the proposed development is in a highly sustainable location. The potential for on-street parking problems in this area as a result of this development is considered to be low given the existing traffic regulation orders in this area.

It is important that any proposed bin store / compound is of adequate size / design to accommodate the required number / type of bins and is suitably located to serve such a development ie/ in close proximity to the adjoining highway. I would strongly recommend that you consult with our Waste Strategy Officer –Catherine Golightly on Tel: 01978 729693 to discuss the above detail and the adequacy of any area allocated to waste collection.

I would therefore advise you that I do not have any objections to the proposed development on highway grounds.
