Hi Mared

I note from drawing no. WO3 Revision D, that a car parking space is shown for School House. I'm not sure why this is shown on the drawings as it does not seem to relate to the proposal. This area forms part of Worthenbury public footpath 7 and I do not wish to see plans that 'legitimise' the parking of vehicles on the footpath. I would therefore request that any reference to parking for School House, including graphics showing a car in this area, is removed from the plans.

Thanks

Sean
