Note(s) to applicant

The development site is in close proximity to several pubs and clubs and the developer is therefore required to carry out a noise survey in connection with condition no. 4 in order to determine noise levels for both day (0700 - 2300 hours) and night (2300 - 0700 hours) having regard to Planning Guidance (Wales), Technical Advice Note (TAN) 11 - Noise. The report of the noise survey findings shall include:

- a) Noise levels arising from day/night time activities in the vicinity of the proposed development site and the impact upon the proposed accommodation, and
- b) A detailed scheme of noise insulation and / or attenuation measures so designed to safeguard the amenity of the future occupants of the proposed accommodation hereby approved.

The applicant is made aware that any proposal within the ground floor of the property will require w/c facilities.
