Dear Sir / Madam,

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

LINDOP BROTHERS TOYOTA GLAN LLYN ROAD BRADLEY WREXHAM

I refer to the above site and planning permission P/2010/1056 which related to the erection of a pre-fabricated garage on the site.

Condition 2 of this permission states 'Details of the staff parking area shall be submitted to and approved in writing by the Local Planning Authority within 1 month of this permission. The approved parking area shall be used for staff parking only and kept free of any other obstructions'.

It is understood that this parking area is no longer available for staff parking and as a result staff are parking their vehicles on the neighbouring residential streets which is causing problems with access to properties.

Can you please ensure that the staff parking area is kept free for use at all times to minimise the impact on adjoining residential streets.

If you require any additional information please contact Louise Phillips on 01978 298784 or louise.phillips@wrexham.gov.uk
