

New garden to The Bungalow formed by land taken from the rear garden of Bethesda to give 50 square metres of amenity space.

The Bungalow due to its current condition is to be taken down and rebuilt to original footprint, except for squaring of front corner and increasing area adjacent to Bethesda to give larger bedroom.

Two parking spaces provided to each property.

Existing boundary walls to remain.

Existing driveway to remain.

Dashed line indicates notional boundary between the properties.

Existing stone boundary wall to be repaired and retained.

Existing brick outbuildings to be removed.

BETHESDA CHAPEL

Stone Cottage, has an existing storey and a half lean to extension to the rear, this is in a poor condition and it is proposed to be taken down and rebuilt to the same foot print, new extension to be 2 storey and to have a pitched roof.

Existing front garden and boundary wall to be as present.
