Dear Sharon:

Re: The Whitehouse, Grove Road, Wrexham.

I write in relation to Condition 4, 5 & 6 on Planning Application P/2019/0576; relating to Arboricultural information to be agreed and approved in writing by the Local Authority prior to commencement of works.

I can confirm the original submitted report provides the required information to approve condition 4 & 6, the report and its recommendations and will be followed by contractors on site. Steve Shields will be employed to observe the protective measures are in place prior to commencement of development.

Condition 5 is covered by the landscaping plan provided see drawing no: T071/006 hard standing that is within the RPA of the tree is to remain as existing.

With the information above and the submitted tree report I trust you can now confirm the condition has been satisfied.

Should you have any queries; please do not hesitate to contact me.
