Dear Sir

Site: Middlewood Farm, Sam Road, Malpas

Development: Erection of Building for Workshop and Storage of Agricultural Vehicles and Equipment

We refer to your planning consultation relating to the above site, and we can provide the following comments in respect to the proposed development.

Some public sewers and lateral drains may not be recorded on our maps of public sewers because they were originally privately owned and were transferred into public ownership by nature of the Water Industry (Schemes for Adoption of Private Sewers) Regulations 2011. The presence of such assets may affect the proposal. In order to assist us in dealing with the proposal we request the applicant contacts us on 0800 917 2652 to establish the location and status of the sewer. Under the Water Industry Act 1991 Dwr Cymru Welsh Water has rights of access to its apparatus at all times.

Our response is based on the information provided by your application. Should the proposal alter during the course of the application process we kindly request that we are re-consulted and reserve the right to make new representation.

If you have any queries please contact the undersigned on 0800 917 2652 or via email at developer.services@dwrcymru.com
