YOUR COMMENTS ON THE CASE

As the local councilor for this area I wish to offer my support to this application, although outside of the development area it is currently a workshop which has stood there for many years and to replace with a family home would not be out of place in this area where we have a need for family homes .Although refused by the planning committee in Wrexham support was strong by a large number of councilors and both myself and the councillor for Chirk South supported the application and would welcome its development on this site.
