Dear Sharon

Thank you for the consultation on this application.

We note the photo survey submitted as a pdf report on the portal which is comprehensive and meets our requirements. However, to fully discharge the condition either the applicant or the archaeological contractor must submit a high resolution copy of the PDF survey report, along with a copy of the original high resolution camera files, to the Historic Environment Record Officer at the Clwyd-Powys Archaeological Trust (Gary Duckers [gary.duckers@cpat.org.uk](mailto:gary.duckers@cpat.org.uk) ).

The applicant or archaeological contractor will need to confirm in writing that this has been done and we will then be able to discharge the condition.

Kind regards

Mark Walters
