0759-EA-A-PL08 Rev G
0759-EA-A-PL09 Rev G
0759-EA-A-PL10 Rev H
0759-EA-A-PL11 Rev F

0759-EA-A-PL12 Rev A

0759-EA-A-PL13 Rev B

0759-EA-A-PL14 Rev B

and as contained within the application documentation.

3. Prior to their use on the development samples of all external facing and roofing materials shall be submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in strict accordance with such details as are approved.

4. No part of the development / works shall commence until details of an on-site watching brief, prepared and to be carried out by a suitably qualified archaeologist, for the duration of the construction works has been submitted to and approved in writing by the Local Planning Authority. The archaeological watching brief must meet the standards laid down by the Chartered Institute for Archaeologists Standard and Guidance for archaeological watching briefs.

Approval: 23.09.2020 **Reference Number:** P/2020/0517

By: Wrexham County Borough Council

Approved Brief Ref: Mike Emery, Consultant Archaeologist (Chapel Archaeology) 16-Sep-2020

5. The works shall be carried out in strict accordance with the watching brief approved in connection with condition no. 4, and a copy of the resulting report should be submitted to and approved in writing by the Local Planning Authority and the Development Control Archaeologist, Clwyd Powys Archaeological Trust (41 Broad Street, Welshpool, Powys, SY21 7RR Email: markwalters@cpat.org.uk Tel: 01938 553670), prior to first use of the works hereby approved.

6. No works to the render or plaster finishes shall take place until a specification, which includes full details of the mix, finish and extent of new or replacement works, has been submitted to and approved in writing by the Local Planning Authority. Work shall only be carried out in strict accordance with the details as are approved.

7. Prior to commencement of works, the Council's conservation officer shall be given 5 days' notice in writing of a meeting on site to approve the mortar specification and pointing sample. Works shall only be carried out in strict accordance with such details as are approved.

8. Prior to commencement on site, structural engineer's details for any modifications to the existing structure shall be submitted to and approved in writing by the Local Planning Authority. The works shall only be carried out in strict accordance with such details as are approved.

9. Prior to installation on site, a method statement for the reinstatement of the entrance door to the front elevation shall be submitted to and approved in writing by the Local planning Authority. This should include details for the reinstatement of brickwork, including bond, pointing and jointing, details of the new lintels and threshold, a specification for the reinstatement of the plinth and details of the relocation of the internal panelled lining. The works shall be carried out in strict accordance with these details as are approved.

10. Prior to installation on site, a specification for all new lead valley gutters and lead flashing details shall be submitted to and approved in writing by the Local planning Authority. The works shall be carried out in strict accordance with these details as are approved.

11. Prior to installation on site, details of all new external lighting installations details shall be submitted to and approved in writing by the Local planning Authority. The works shall be carried out in strict accordance with these details as are approved.

12. No new plumbing, pipes, flues, vents or ductwork shall be fixed to or formed through the external walls of the building.

13. Prior to installation on site, a specification for Conservation roof lights and details of any trimming and modifications to the existing structure for their installation shall be submitted to and approved in writing by the Local planning Authority. The works shall be carried out in strict accordance with these details as are approved.
14. Prior to installation on site, a specification for the proposed bi-fold doors to rear elevation shall be submitted to and approved in writing by the Local planning Authority. The works shall be carried out in strict accordance with these details as are approved.
15. Prior to installation on site, details of all new internal doors shall be submitted to and approved in writing by the Local planning Authority. The works shall be carried out in strict accordance with these details as are approved.
