

Good Morning

I write to you in respect of a letter I have received from my local council regarding a planning appeal at 6 Fox Close, Summerhill, Wrexham. This property backs on to my property which is 24 Celtic Road, Summerhill, Wrexham.

Anything that the occupants do to this land will effect the privacy of my property. I have included images to show how the piece of land effects my property.

I ask you to consider this when discussing this case as I believe no access should be approved this piece of land to enable myself and my family to have privacy when we are in our home and garden.

Please get in touch if you would like a discussion or require more information.

Many Thanks
Lauren Jones
