Dear Mathew,

Further to exchanging contracts on all the S106 affordable units on this site, I write in support of the application Anwyl are currently pursuing as illustrated on the attached plan (Ref: PL03).

I can confirm that ADRA are in support of the location of the proposed affordable on this layout, and we look forward to taking handover of these as soon as planning has been granted and properties are completed.

ADRA have worked alongside Anwyl to formulate these proposals and we look forward to the units being delivered, in the near future in order to provide much needed affordable housing in the area.

If the council would like to discuss anything with ADRA relating to this site, and this application I would be happy to assist.

Regards,

Paul
