Hi Sarah,

No, the trees identified within the attached photos provide low amenity and should not be considered a material constraint to the proposed expansion of the driveway and the new garage.

Happy Friday mate, anything remotely exciting lined up for the weekend?

Regards

Hi Jon,

Hope you’re okay.

Quick Q – the trees, circled blue in pics 1, 2 and 3 of the attached aren’t an issue in relation to the proposed garage and driveway are they?

Cheers

Sarah
