Annwyl Simon Greenland,

**BWRIAD / PROPOSAL: HYSBYSIAD YMLAEN LLAW AR GYFER ADEILAD STORIO
AMAETHYDDOL / PRIOR NOTIFICATION FOR AGRICULTURAL STORAGE BUILDING**

**LLEOLIAD / LOCATION: LAND AT ROSSETT MEADOWS FARM, ROSSETT,
WREXHAM**

Thank you for consulting Cyfoeth Naturiol Cymru / Natural Resources Wales about the above, which we received on 13/11/2020.

We have no objection to the proposed development as submitted and provide the following advice.

Flood Risk

Our Flood Risk Map confirms the application site lies entirely within Zone C2 of the Development Advice Maps (DAM) as contained in TAN15.

Given the scale and/or nature of the proposed development (and in the absence of a flood consequences assessment) we consider the proposals could be acceptable, subject to the developer being made aware of the potential flood risks and advised to install flood-proofing measures as part of the development.

In areas at risk of flooding, we recommend that consideration be given to the incorporation of flood resistance/resilience measures into the design and construction of the development. If the intention is to raise the slab level of the barn, then raised ground levels should be limited to the building footprint itself. This is to limit any potential impacts on flooding from any source.

We refer the applicant to our [website](#) for further advice and guidance available. Additional guidance including the leaflet "Prepare your Property for flooding" can be found [here](#).

The developer can also access advice and information on protection from flooding from the ODPM publication 'Preparing for Floods: Interim Guidance for Improving the Flood Resistance of Domestic and Small Business Properties', can be found [here](#)

Protected Species

We note that there is no information about protected species with the application and, therefore, are assuming that your Authority has screened the application and concluded that there is not a reasonable likelihood of protected species being present.

Other Matters

Our comments above only relate specifically to matters included on our checklist, *Development Planning Advisory Service: Consultation Topics* (September 2018), which is published on our [website](#). We have not considered potential effects on other matters and do not rule out the potential for the proposed development to affect other interests.

We advise the applicant that, in addition to planning permission, it is their responsibility to ensure they secure all other permits/consents/licences relevant to their development. Please refer to our [website](#) for further details.

If you have any queries on the above, please do not hesitate to contact us.

Yn gywir,

Siôn M. Williams

Cynghorydd - Cynllunio Datblygu / Advisor - Development Planning
