and as contained within the application documentation.

3. No part of the development shall commence until samples of all external facing materials have been submitted to and approved in writing by the Local Planning Authority. The development shall only be carried out in strict accordance with such details as are approved.

4. No surface water and / or land drainage shall be allowed to connect directly or indirectly with the public sewerage network.

5. The proposed development shall be carried out in strict accordance with the approved Tree Report.

6. No equipment, machinery, plant or materials of any kind in connection with the development shall be brought onto the site until tree protection fencing and ground protection measures have been implemented in strict accordance with details which have been submitted to and approved in writing by the Local Planning Authority. The details should include specification and location for the fencing. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavations be made.

7. The tree protection fencing and ground protection measures approved in connection with condition no. 06 shall be kept in place until all external site

Applicant	MR DARREN BRIMBLE READ CONSTRUCTION	Code Number	WRA P/2020/0475
Agent	TACP ARCHITECTS MR MATTHEW GREGORY PEMBROKE HOUSE ELLICE WAY WREXHAM TECHNOLOGY PARK WREXHAM LL13 7YT	Date Received	07/08/2020 01/02/2021
		Decision Date	

works have been completed and the removal of the fencing has been approved in writing by the Local Planning Authority.

8. The proposed re-planting scheme shall be carried out in strict accordance with the approved Landscape Strategy - Revision P03.
9. The landscaping scheme including the paving and footpath areas submitted and approved in connection with condition no. 08 shall be fully implemented in all respects within three months of the first use of the building with the exception of soft landscaping which shall be carried out in the first planting season (November to March) or seeding season (April to September) following the first use.
10. The planting scheme implemented in connection with condition no. 8 shall be permanently retained. Any planting which becomes severely damaged or seriously diseased, or is in poor physiological condition and/or are removed without the written permission of the Local Planning Authority shall be replaced within the next available planting season by trees or shrubs of similar size and species to those originally required to be planted.
11. A scheme of footpath improvements within the vicinity of the site shall be submitted for further approval of the Local Planning Authority. The approved scheme shall be fully implemented prior to the first use of the Welsh Medium Primary School hereby permitted.
12. The construction of the proposed car park shall be fully implemented prior to the first use of the Welsh Medium School and operated in strict accordance with the approved Car Park Management Scheme.
13. The scheme of cycle parking provision shall be submitted for further approval of the Local Planning Authority. The approved scheme shall be implemented in accordance with a timescale to be agreed in writing with the Local Planning Authority/
14. A detailed scheme of the proposed staggered start times for each of the schools shall be submitted for the further approval of the Local Planning Authority. The approved scheme shall be fully implemented upon the first use of the development.
15. The development shall be carried out in strict accordance with the mitigation measures within the approval Travel Plans for each school.
16. A transport study shall be undertaken of the operation of the existing chicane traffic calming features on Borrass Park Road to the east and west of the application site. The study shall include observations relating to vehicle speeds along Borrass Park Road and the delay experienced by vehicles on the approach to the chicane traffic calming features. The transport study shall be

		Decision Date	

submitted to the planning authority for approval prior to first occupation of the Welsh Medium School. The approved outcome of the transport study shall be implemented within 12 months of first occupation, unless otherwise agreed in writing by the planning authority.

Reason(s)

1. To comply with Section 91(3) of the Town and Country Planning Act, 1990.
2. To comply with section 71ZA (2) of the Town and Country Planning Act 1990.
3. To ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies GDP1 and PS2 of the Wrexham Unitary Development Plan.
4. To prevent the hydraulic overloading of the public sewerage system, to protect the health and safety of existing residents and ensure no pollution of, or detriment to the environment.
5. To safeguard the existing trees on site.
6. To ensure that the retained trees are adequately protected during development in the interests of amenity in accordance with Policies GDP1 and EC4 of the Wrexham Unitary Development Plan..
7. To ensure that the retained trees are adequately protected during development in the interests of amenity in accordance with Policies GDP1 and EC4 of the Wrexham Unitary Development Plan..
8. To ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies GDP1 and PS2 of the Wrexham Unitary Development Plan.
9. To ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies GDP1 and PS2 of the Wrexham Unitary Development Plan.
10. To ensure a satisfactory standard of appearance of the development in the interests of the visual amenities of the area in accordance with Policies GDP1 and PS2 of the Wrexham Unitary Development Plan.
11. In the interests of pedestrian safety.
12. To ensure an adequate service and parking area is retained within the site in the interests of highway safety in accordance with Policies GDP1 and T8 of the Wrexham Unitary Development Plan.
13. To promote the use of more sustainable travel.

Applicant	MR DARREN BRIMBLE READ CONSTRUCTION	Code Number	WRA P/2020/0475
Agent	TACP ARCHITECTS MR MATTHEW GREGORY PEMBROKE HOUSE ELLICE WAY WREXHAM TECHNOLOGY PARK WREXHAM LL13 7YT	Date Received	07/08/2020 01/02/2021
		Decision Date	

14. To ease congestion at peak times, in the interests of highway safety.
15. To manage the impact of the development in the interests of highway safety and the free flow of traffic on Borrass Park Road.
16. In the interests of Highway safety.

Note(s) to applicant

All works relating to this development which are audible beyond the site boundary should be carried out only between 7.30 and 18.00 hrs Monday to Friday, and 08.00 to 14.00 hrs on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the potential to cause unreasonable disturbance to neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60, Notice where deemed necessary, and failure to comply with such a Notice can result in prosecution.

The applicant should adhere to the times given above wherever possible. For further information and advice regarding construction noise please contact the Council's Housing and Public Protection Department on 01978 315300.

The Applicant is advised that under the Environmental Protection Act 1990, dust from construction and/or demolition activities can be judged to be causing a statutory nuisance to neighbouring properties. A legal notice can be served requiring that any dust nuisance is abated and failure to comply with the requirements of the notice can result in prosecution. The applicant should contact the Council's Housing and Public Protection Department on 01978 315300 for further advice and information.

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:

- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply

Agent	TACP ARCHITECTS MR MATTHEW GREGORY PEMBROKE HOUSE ELLICE WAY WREXHAM TECHNOLOGY PARK WREXHAM LL13 7YT	Date Received	07/08/2020 01/02/2021
		Decision Date	

with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Environment and Planning Department on 01978 315300 for further advice and information.
