5. No facing or roofing materials shall be used other than those detailed on the application form and within the approved application documentation.
6. The landscaping scheme including paving, footpaths and car parking, approved as part of this application, shall be fully implemented in strict accordance with approved drawing no. Dwg No. V2636 L01 Rev L (1:200 Landscape Plan) prior to first use of the development, with the exception of soft landscaping which shall be carried out in the first planting season (November to March) or seeding season (April to September) following the first use. The landscaping scheme shall be maintained in accordance with the detail specified on this plan and maintained in this condition for the lifetime of the development.
7. Prior to commencement of the relevant part of works and notwithstanding the approved Proposed Boundary Treatments Plan (Dwg No. 2636-NESW-127 Rev A) all close boarded timber fencing shall receive a painted finish in a colour to be submitted to and approved in writing by the Local Planning Authority.
8. No development shall commence until a surface water drainage scheme for the site has been submitted to and approved in writing by the local planning authority. The scheme shall be implemented in accordance with the approved details prior to first use of the development.
9. The rating level of any noise generated by air handling plant associated with the development shall not exceed the pre-existing background level by more than 5dB(A) at any time. The noise levels shall be determined at nearby noise sensitive premises, and measurements and assessment shall be made in accordance with BS4142:2014 Method of Rating Industrial Noise Affecting Mixed Residential and Industrial areas.
10. The development shall be carried out in accordance with the dust mitigation measures outlined in Appendix F of the submitted document titled 'Air Quality Assessment MCP2179' and dated May 2019.
11. The development hereby approved shall only be open to the public within the following hours:
 08:00 - 22:00 Monday to Saturdays
 10:00 - 18:00 Sundays
 08:00 - 20:00 Bank Holidays
12. Prior to first use of the development hereby approved, the vehicular access off Gresford Road shall provide visibility splays of 2.4m x 43m in both directions measured to the nearside edge of the adjoining highway. Within these splays, there shall be no obstruction above the level of the adjoining carriageway. The splays shall thereafter be permanently retained clear of any such obstruction to visibility.

13. The vehicular parking and turning areas as shown approved drawing Dwg No. 2636NESW-122 Rev A shall be fully laid out, surfaced and drained prior to first use of the development hereby approved. These areas shall thereafter be permanently retained and kept free of any obstruction, and made available solely for the parking and turning of vehicles at all times.

14. The existing hedgerow/vegetation along Gresford Road shall be maintained at a height no greater than 1m for the lifetime of the development.

15. The Crown Cross Roads Junction Assessment Mitigation measures as set out in the submitted Transport Assessment prepared by Cameron Rose Associates shall include:-

- Extension of the flare length along the B5102 (Straight Mile) from 7.0 pcu to 10.4 pcu (i.e From 40m to 60m) and;
- Amendment of the order that the stages are called within each cycle to minimise lost intergreen time, saving 6s per cycle (when Chapel Lane is not called).

The above additions, as well as all other relevant mitigation measures included within the above named document, shall be carried out prior to first use of the development and thereafter maintained for the lifetime of the development.

16. No development shall commence until a scheme detailing the layout, design drainage, lighting and construction of all highway works associated with the Straight Mile including left turn only access and associated signing and extension to the left turn lane at Crossroads junction has been submitted to the Local Planning Authority. The scheme shall be approved and fully implemented prior to the first use of the development.

17. No development shall take place until details of a pedestrian crossing on Gresford Road have been submitted to the Local Planning Authority. The scheme shall be approved and fully implemented prior to the first use of the development.

18. No development shall commence until a Stage 2 Independent Safety Audit has been submitted for the proposed scheme to the Local Planning Authority. The Stage 2 Independent Safety Audit shall be approved and a Stage 3 Independent Safety Audit shall be submitted for approval post construction.

19. No part of the development shall commence until full details for the arboricultural supervision of tree protection measures and any ground works within retained tree(s) Root Protection Areas, as specified by BS5837:2012 or as shown on a Tree Protection Plan have been submitted to and approved in writing by the Local Planning Authority. The supervisory works shall be carried out in strict accordance with the details as approved.

20. No part of the development shall commence until a detailed Arboricultural Method Statement has been submitted to and approved in writing by the Local Planning Authority. No development or other operations shall take place except in strict accordance with Method Statement as is approved. The Method Statement shall include the following:

- 1) A specification for tree protection fencing and ground protection measures that comply with British Standard 5837:2012;
- 2) A Tree Protection Plan showing the location of the trees to be removed and retained with their crown spreads, Root Protection Areas, Construction Exclusion Zones, and location of protective fencing and ground protection measures accurately plotted;
- 3) A full specification for any access, driveway, path, underground services or wall foundations within retained tree Root Protection Areas or Construction Exclusion Zone , including any related sections and method for avoiding damage to retained trees;
- 4) Details of general arboricultural matters including proposed practices with regards to cement mixing, material storage and fires;
- 5) Details of the frequency of supervisory visits and procedures for notifying the findings of such visits to the Local Planning Authority;
- 6) Method for protecting retained trees during demolition works;
- 7) Details of all proposed tree works, including felling and pruning.

21. No part of the development shall commence until details of underground and overhead services have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in strict accordance with the details as approved.

22. The planting scheme implemented in connection with condition no. 6 shall be permanently retained. Any planting which becomes severely damaged or seriously diseased, or is in poor physiological condition and/or are removed without the written permission of the Local Planning Authority shall be replaced within the next available planting season by trees or shrubs of similar size and species to those originally required to be planted.

Note(s) to applicant

Burning of waste generated from construction activities is not considered to be an appropriate method of disposal and action may be taken as follows:

- Under the Environmental Protection Act 1990 anyone found disposing of construction site waste by burning is likely to be in breach of their duty of care with regard to waste disposal;
- Under the same Act an abatement notice may be served where smoke is judged to be causing a nuisance to neighbouring properties. Failure to comply with the requirements of the notice can result in prosecution;
- Under the Clean Air Act 1993 it is an offence for a commercial activity to burn anything that gives rise to dark smoke.

To prevent offences under the above named Acts there should be no bonfires on the site, to include the prohibition of the burning of cleared vegetation. The applicant should contact the Council's Environment and Planning Department on 01978 315300 for further advice and information.

All works relating to this development which are audible beyond the site boundary should be carried out only between 7.30 and 18.00 hrs Monday to Friday, and 08.00 to 14.00 hrs on a Saturday, and at no time on a Sunday or a Bank Holiday. Outside these times, any works which are audible beyond the site boundary have the potential to cause unreasonable disturbance to neighbouring premises.

The applicant is advised that the Council has the option to control construction noise by serving a Control of Pollution Act 1974, Section 60, Notice where

Applicant	MR BRYN RICHARDS ALDI STORES LTD	Code Number	LLA P/2020/0623
Agent	JLL LANDMARK ONE OXFORD STREET MANCHESTER M1 4PB	Date Received	07/10/2020
