Good morning Mared,

Please find attached photographs of our driveway and access to the road as of today.
I have taken a few photos from different angles. If you need anything else, please ask.

Kind regards

Ben

Hi Ben

Just some photos looking direct at the access itself would be fine.

Thanks

Good morning Mared,

No that is fine I totally understand with the COVID restrictions and current lockdown there would be delays.

I can certainly send some photographs. Before I send them over, would photographs of a view from all angles suffice or is there something specific you would normally accept?

Kind regards

Ben

Hi Ben

Apologies for the delay in assessment of the application. Unfortunately I have not had a chance to visit the site yet and will likely not be able to do so until the current lockdown is lifted.

The Highway Authority have raised no objection. Therefore I will need to undertake an assessment as to whether impacts to the surrounding visual amenity is acceptable. Do you have any photographs of the proposal which you are able to send to me? This may help to speed the process along.

Thanks

Mared
