Dear Cerys

Thank you for consulting us on the new ecological document submitted by the developer:

**Reasonable Avoidance Measures Statement (RAMs) and Method Outline for Great Crested Newts
Mulsford Lane, Worthenbury January 2021**

We can confirm that the information contained in the document addresses previous points of concern as noted in our letter dated 17/01/2020I.

We therefore have no further concerns regarding the proposal.

Kind regards

Rhys Jones
