Hi Cerys,

We have received no comments from NRW with regard to this development, I am therefore happy to grant SAB approval and for the drainage condition for this development to be discharged.

Kind regards
Jason

Hi Cerys,

We are currently awaiting the response from the statutory consultee NRW with regards to the SAB approval of this scheme.

I do not anticipate any objections, however, it may be prudent to wait for their response prior to approving the drainage design of the scheme.

If you require any further information please do not hesitate to contact me

Kind regards
Jason
