Subject: Five Fords Development

Dear Sir/Madam,

We have been in contact with the 5 Fords proposal and enjoyed a number of conversations with them. As an accommodation provider in the locality for 31 years we are looking forward to their new proposal starting as we feel it will provide a lot of jobs in the area and help local businesses like us.

Thank you for time,

Yours faithfully,

Joy Price at Tree Tops Self Catering, Llanfynydd, Nr Wrexham.
